

# THE WOODCREST BRIDGE TO EXCELLENCE SALE

*THE BRIDGE BETWEEN GENOMICS AND TYPE*

*SATURDAY, JUNE 8, 2013 ~ 11:00 A.M.*

*OGDENSBURG, NY*

## Welcome to Woodcrest

It is with great pleasure we bring to you the first Woodcrest Dairy Bridge to Excellence Sale. It is a culmination of Bob's passion for good cows. Starting as a youngster on the family farm milking cows, Bob's love of cattle has only expanded from type to the fun of genomics which is quantifiable, a wonderful thing for a numbers person.

The dairy enterprise started in 1984 as Ro-Mel Farms. Practicing Veterinary medicine full time, Bob came to realize his love of working with high quality cattle was also a passion of his and so the dairy was established. The beginnings were humble with 26 milking head. It has evolved, with the biggest game changer being the creation of a partnership with Peter Braun, a graduate of Cornell University with a masters in Mechanical Engineering. Peter is married to Michelle, Bob and Melanie's eldest daughter. Michelle also a graduate of Cornell University with her DVM, has dedicated herself to the raising and education of their seven children. Peter, among other things, has taken over the cropping and field work. Now the herd consists of over 2850 milking cows and over 6000 crop acres with a workforce of 60 dedicated employees.

We have been blessed to have a fabulous complement of loyal key personnel. These include Brian, Bill, Kevin, Barb, Ezra, Eli, Johnny, Kassie, Tim, Dan, Tad, Mose, Chad, Cody & Scott, just to name a few! Barb Ziembra, with her gift for creative advertising and valuable contacts has made the painstaking process of putting this sale together a reality.

It is truly because of these individuals and above all by God's blessings that we offer you the opportunity to share in these blessings. We have attempted to bring you the very best of the many cow families that make our herd what it is today. We hope you can join us on June 8th for an enjoyable day filled with opportunity and wish you the greatest success with your purchases, whether it be in person, on the phone or through the internet.

A very special thanks to all our sponsors, David & Merry Rama of The Cattle Exchange, the employees of Woodcrest and the sales crew that all came together to make this all possible.

# THE WOODCREST BRIDGE TO EXCELLENCE SALE

**SATURDAY, JUNE 8, 2013 ~ 11:00 A.M. ~ OGDENSBURG, NY**

**Sale GPS Location: 820 County Rt 28, Ogdensburg, NY**

*See us on Facebook!*

*\*Live feed with real-time bidding by HW Productions  
(subscription required)*

**Door Prize drawing for all bidders day of the sale!**

**Generous donations from Zoetis, Elanco, Merial, Cows Come First, FCB Nutrition,  
Pioneer, Farm Credit, Select Sires & Holstein World!**

*All animals will be health tested for shipment anywhere in the US (TB, Brucellosis, BVD and boosted with Inforce). All Woodcrest animals are on a strict BVD testing program and are also vaccinated on a regular protocol. Animals needing additional testing for shipment to Canada will be tested immediately at the buyers expense. Cattle will be housed at Woodcrest until testing is completed at no expense to buyer. It can be arranged prior to sale for additional testing, if there is a sincere interest in the purchase of an animal that will require extra testing be completed. Please contact Barb Ziemba 315-730-02012 on these requests.*

# HOLSTEIN ASSOCIATION TERMS AND CONDITIONS FOR PUBLIC SALES

EFFECTIVE MARCH 2, 1996 - Amended October 1, 1997, June 28, 2000, June 23, 2002, and March 26, 2010

**TERMS:** The terms of the sale are cash unless arrangements are made prior to the sale or are printed in the sale catalog. Only when the above conditions are met will the buyer be entitled to the warranties listed below. In no case will animals be released unless settlement is made with the clerk of the sale.

**RESPONSIBILITY:** The seller, buyer, and manager of this sale are obligated to comply with the provisions of these terms and conditions.

**EXPORT SALES:** Buyer assumes all responsibility for health tests required by the importing country.

**BIDS:** The highest bidder is the buyer. Bidding parties or their agents are responsible for all bids placed. Every animal or lot presented for bidding is pledged to absolute sale. In case of dispute, the animal or lot will again be put up for advance bids, and if there is no advance bid, the animal or lot will be sold to the person the auctioneer accepted the last bid from. In case two or more claim the bid, the auctioneer will indicate the party whose bid he recognized. Other claimants will be given an opportunity to increase the bid and bidding will be restricted to the two or more claimants.

**BY-BIDDING:** Bidding directly or indirectly by the sole owner of any animal or lot is prohibited unless the intention to bid is disclosed specific to each animal in the catalog and announced when the animal enters the ring. Bidding by any member of a partnership, syndicate, or other entity having an ownership interest in an animal or lot is permitted.

**TRANSFER OF OWNERSHIP:** For all Registered Holsteins<sup>SM</sup>, the transfer of ownership to the buyer will be recorded on the records of Holstein Association USA and a certificate of registration showing that transfer of ownership will be provided to the buyer free of charge. For embryos, the transfer of ownership to the buyer will be recorded on the records of Holstein Association USA free of charge to the buyer.

**RISK:** All animals located at sale site are at the purchaser's risk as soon as struck off, but will be cared for free of charge for a maximum of 24 hours following the end of the sale.

## WARRANTIES:

- 1) Each consignor warrants clear title to the animal or lot, and the right to sell same.
- 2) To the best of the seller's knowledge, each animal is sound and healthy in every respect and embryos have been recovered, processed, frozen, transferred and graded in keeping with IETS recommendations unless otherwise noted in the catalog or announced from the auction stand. Every precaution will be taken to represent the physical condition of each lot exactly as is known. Examination of all purchases should be made immediately after the purchase and before the close of the sale, and if found not to be as represented, complaint must be reported to the sale management before the close of the sale. In the event no complaint is filed, it is understood that the buyer assumes full ownership in the case of animals at sale site together with all risks, after which no representations of the seller can be challenged through the sale management. Heifers that never calved are in no way guaranteed as to the condition of their udders following calving.
- 3) **Breeding Warranty**  
The seller guarantees all animals to be breeders, but not beyond the purchase price, with the following understanding:
  - a. Males - Should any bull after reaching the age of fourteen months fail to prove a breeder after being used for two months on cows or heifers known to be breeders, the matter shall be reported in writing to the seller within three months of the sale date. The report must include the animal's examination record, a written statement of treatment, and a statement of the animals' inability to breed,

by a licensed veterinarian. The seller has the option to refund the purchase price or make other settlement that is satisfactory to the buyer. In either case the rights of ownership of the animal return to the seller. The seller makes no guarantees with respect to the ability to freeze semen.

- b. Females - All females are guaranteed to be breeders with the exception of:
  1. Cows over 7 years of age when sold;
  2. Cows and/or heifers carrying a pregnancy that is the result of an embryo transfer.

Report of a non-breeder must occur in writing within 3 months of the date of sale or before the animal reaches 21 months of age and must be submitted to the seller. The report must include the animal's examination record, a written statement of treatment, and a statement of the animals' inability to breed, by a licensed veterinarian. The seller has the option to refund the purchase price or make other settlement that is satisfactory to the buyer. In either case the rights of ownership of the animal return to the seller.

Females bred when sold and pronounced in calf are presumed to be pregnant but pregnancy is not guaranteed unless so announced. The seller makes no warranty that pregnant cows will deliver calves or that they will carry calves full term.

- c. If, after the sale, embryos or oocytes are recovered from a female or an attempt is made to superovulate her, this negates the breeding warranty unless there is a separate written agreement between buyer and seller.

**SHIPPING:** Assistance will be given in arranging shipping of the animals after the sale. All costs, risks and responsibility will be borne by the purchaser.

**PEDIGREE INFORMATION:** All production, classification, type and production summaries are current. Only information recorded on Holstein Association USA pedigrees is used. Any production or classification records supplied by the seller or consignor will be properly identified as provided by owner. Records in progress are identified as such.

**GENOMIC INFORMATION:** If genomic information on the animal or embryo is available, it must be dated and disclosed at or before the time of sale.

**EMBRYO TRANSFER:** All registered animals that have resulted from embryo transfer are identified with one of the following suffixes in the name: ET, ETS (from split embryo), or ETN (from nuclear transfer). If unregistered, the appropriate technology will be identified. Donor dams are identified.

**HEALTH WARRANTY:** The seller will provide an official health certificate to the buyer for each animal showing the results of all health tests made in preparation for this sale as required by the state where the cattle reside. Other health tests completed for this sale will be disclosed.

**ERRORS:** The material in this catalog has been carefully edited. If any errors or omissions are discovered, they will be announced. Such announcements take precedence over that printed in this catalog.

**ACCIDENT:** The sale management, the consignors, and the owner of the grounds will not be responsible in any case for the condition of the grounds or the behavior of the animals and disclaim any liability in the event of personal accident or property loss.

**LIMITATIONS OF WARRANTIES:** Warranties contained herein, unless terminated earlier, will cease upon the resale of an animal.

*A Salute to Woodcrest Dairy...*

*We began our relationship with Dr. Robert Cruikshank and his son-in-law Peter Braun 5 years ago. I want to thank them very much for the opportunity to assist their dedicated effort to develop superior cattle that we would all be proud to own or breed from.*

*Accomplishments of this nature are not one-man shows. Woodcrest boasts a dedicated, conscientious staff and a very professional management team. We are pleased for the small role that we have played and a special mention to Dr. Cruikshank's nephew, Brian Cruikshank, whose expertise and abilities have been invaluable.*

*Dr. Bob & Peter Thank you again. The future holds so much for you.*

*Dr. Mark*
