

# 2017 NATIONAL CONVENTION SALE

Friday, June 30, 2017  
6:30 PM (PDT)  
Hyatt Regency Hotel  
Bellevue, WA

June 12, 2017

Fellow Holstein Enthusiasts,

The members of the Washington State Holstein Association are rolling out the Red Carpet for all those making the annual pilgrimage to the National Holstein Convention. Be sure to allow some extra time to visit some of the splendid herds and spectacular scenery that the State of Washington offers.

As always, the National Convention Sale is always one of the highlights of the year for serious Holstein Breeders around the globe. The very best of every breeding philosophy is offered in this year's catalog. The front half of the catalog is the Genomic section with heifers that have risen to the very top of our industry that will be the bull mothers of tomorrow. Space limitation for this year's sale prevent us from having more than 30 live animals at the sale, hence, we are selling all Genomic lots in absentia. We will attempt to have a photo of every heifer in this section placed on our Facebook and web page prior to the sale.

The second half of the catalog features the greatest maternal lines our breed has ever produced. Many hail from All-Canadian or All-American maternal lines. The cattle in this section will all be at the sale for your immediate inspection the evening prior to the sale. Many in this section will go on to show, score Excellent and build families for new their owners that will bring enjoyment and pay dividends for years to come. These families do not miss!

Sale Managers and Breeders, alike, consider it an honor and privilege to be a part of this amazing event. The selections in this sale represent the very elite of the millions of Holsteins that are available today. We strived to select a unique set of cattle from around the country and Canada from maternal lines that more consistently than others, make the great ones!

We thank all the Consignors to this year's National Convention sale for their participation and willingness to part with the great ones. Thanks also in advance to all the Buyers and bidders for their participation. You can't hit a homerun without taking a swing and this sale will produce some grand slams for those that buy!

Special thanks as well to our sale Co-Chairs; Andy Portmann and Chris Baginski for all their assistance, Andrew King from the Holstein Association and most importantly, Fred Schoenbacher and his family for handling and staging cattle at their farm, prior to moving into the Convention center. A tremendous group of people all around!

Get prepared to bid fast & bid last on Friday, June 30th on one of the greatest National sale offerings of our time.

Sincerely,

David & Merry Rama, Scott & Amy Courtney

# 2017 National Holstein Convention Sale

Friday, June 30, 2017 at 6:30PM (PDT)

Hyatt Regency, Bellevue, Washington

*\*Cattle viewing Thursday, June 29 from 5:00-8:00 PM*

***View/bid online in Real Time at [www.cowbuyer.com](http://www.cowbuyer.com)***

*\*Bidders must pre-register & be pre-approved. Contact Aaron Tompkins if you need assistance at 336-363-4639*

# TERMS & CONDITIONS FOR BUYERS & SELLERS

Please read the details below regarding the obligations of both the Buyer and the Seller, as many animals in the sale are selling in absentia.

## BUYERS

**Purchase of animals physically at the sale:** If your bid results in the purchase of any lot that is physically at this sale, regardless of age, you are obligated for full purchase price when the gavel falls. Buyers can protect their investment by procuring insurance at the Clerks table sale day or provide Proof of Insurance from another Insurance Company. **If buyers do not acquire insurance immediately at time of purchase, Buyer is self-insuring at their own risk.** It is not, the Seller's nor the Sale Managers responsibility to insure cattle or guarantee cattle for Buyer once the gavel has fallen. **Buyers assume all risk & rewards!**

**Purchase of an animal sold in absentia:** Full payment is due sale day. Any lot selling in absentia is guaranteed to be in good health and condition at time of sale and will have been inspected by a licensed Veterinarian prior to the sale with necessary tests required for this sale (TB, BVD, Brucellosis if required & a shipping fever vaccine). A Certificate of Veterinary Inspection (CVI) will be at the sale for Insurance policy needs. Once an animal passes the Veterinary inspection, the Seller's only obligation to Buyer is to provide proper husbandry care for said animal until that animal leaves the Seller's farm. Neither Seller's, nor Sale Managers can be held responsible for cattle that are housed at the seller's farm or during transport. **Again, it is the responsibility of the Buyers to obtain insurance after purchase or take the risk of self-insuring, not the Sellers or Sale Managers. It is also the duty of the Buyer to notify Seller immediately with instructions for health charts and transportation of said purchase.** Prospective Buyers may contact Sellers prior to the sale and have the lots of interest inspected prior to the sale by a licensed Veterinarian or Representative of their choosing.

## SELLERS

Any cattle sold in absentia under 4 months of age can be housed at the Seller's facility at no extra charge to Buyer until 4 months of age, if Buyer so wishes. For an animal sold in absentia that is over 4 months of age, the Buyer will be responsible for board fees of \$6.00 per day until said animal leaves.

**Seller guarantees a sound, healthy, animal at time of sale as evidenced by a Certificate of Veterinary Inspection (CVI) which they must produce prior to the sale.** Seller will have their Veterinarian issue health charts for entry to Buyer's state immediately upon notice from Buyer. Tests prior to sale will include TB, Brucellosis, BVD and a Shipping Fever vaccine. Sellers guarantee said animals will pass these tests and these tests only. If a Buyer asks for additional testing the Buyer will be responsible for the extra fees associated with those tests and regardless of the outcome, is obligated to take possession.

Sellers will work to insure adequate care for cattle that have sold to a new Buyer and notify Buyer immediately in event of illness or sudden death of said animal and have certified Veterinarian perform autopsy if Buyer so wishes at Buyer's expense for insurance purposes.

**The Terms and Conditions above may not be altered without the written consent of both Buyer and Seller.**

## **The National Holstein Convention Sale**

**The National Sale is that special sale held every year where the finest of every breeding philosophy should be offered! Genomic heifers, females from All-Am and State Show winning dams, maternal lines that have bred true for 18 Generations, Red & Whites of prominence and so much more! No matter what you breed for, the very best will be here!**

***With limited space to house cattle at the Convention Center, we will be selling all Genomic Cattle in absentia!***

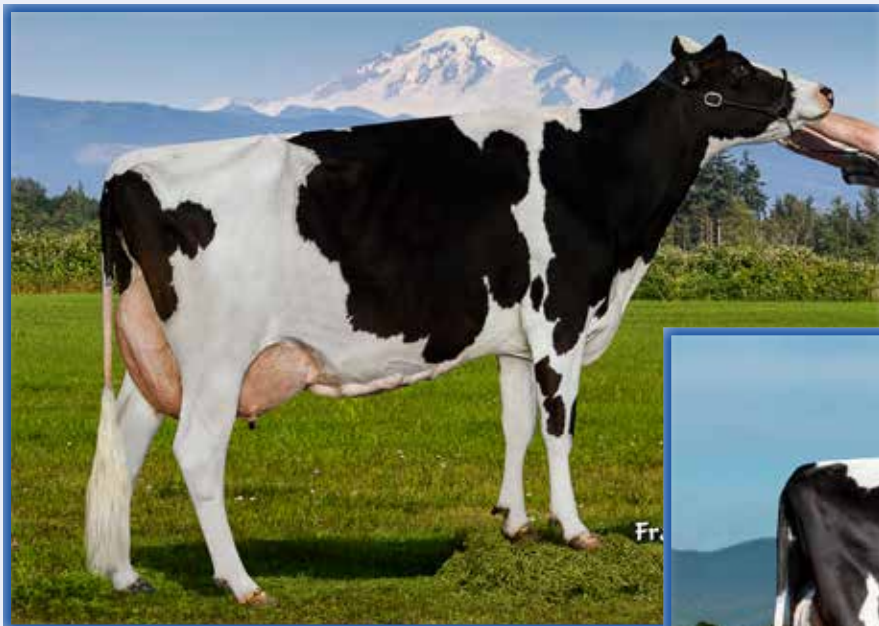

### **Genomic Section: Lots 1-39**

The first section of the National Convention Catalog contains many of the highest Genomic females available in the Holstein Breed. The families they hail from, have proven time and again to more frequently rise to the top on virtually all production, health and type traits.

Success stories abound with the cattle in this section. We have seen numerous breeders purchase past Genomic leaders with astonishing success! Many have leased bulls to AI, others have produced multiple females that have sold well over 6 figures and most important, all are seeing benefits in their herds across the board!

### **Type! Show winning dams! ~ Lots 40-70 Pedigrees that have stood the test of time!**

Let's pause and reflect on some household names like Raven, Apple, Paradise, Elegance, Roxie, Royal Rosa, Barbie and the sires Blackstar, Goldwyn, Starbuck, Outside, Dundee, Durham, Chief Mark, Shottle just to name a few. The foundation and success of our breed was built on the names above as well as others. The pedigrees in this section of the catalog combine the greatest sires our breed has produced with maternal lines that transmit generation after generation. The most prominent type herds in the world were built on the backs of these and other legends! Buy with confidence from this section if you want high scoring individuals that will show, breed true and provide you with a foundation to build upon! Every lot in this section is a history lesson in great breeding!

# HOLSTEIN ASSOCIATION TERMS AND CONDITIONS FOR PUBLIC SALES

EFFECTIVE MARCH 2, 1996 - Amended October 1, 1997, June 28, 2000, June 23, 2002, and March 26, 2010

**TERMS:** The terms of the sale are cash unless arrangements are made prior to the sale or are printed in the sale catalog. Only when the above conditions are met will the buyer be entitled to the warranties listed below. In no case will animals be released unless settlement is made with the clerk of the sale.

**RESPONSIBILITY:** The seller, buyer, and manager of this sale are obligated to comply with the provisions of these terms and conditions.

**EXPORT SALES:** Buyer assumes all responsibility for health tests required by the importing country.

**BIDS:** The highest bidder is the buyer. Bidding parties or their agents are responsible for all bids placed. Every animal or lot presented for bidding is pledged to absolute sale. In case of dispute, the animal or lot will again be put up for advance bids, and if there is no advance bid, the animal or lot will be sold to the person the auctioneer accepted the last bid from. In case two or more claim the bid, the auctioneer will indicate the party whose bid he recognized. Other claimants will be given an opportunity to increase the bid and bidding will be restricted to the two or more claimants.

**BY-BIDDING:** Bidding directly or indirectly by the sole owner of any animal or lot is prohibited unless the intention to bid is disclosed specific to each animal in the catalog and announced when the animal enters the ring. Bidding by any member of a partnership, syndicate, or other entity having an ownership interest in an animal or lot is permitted.

**TRANSFER OF OWNERSHIP:** For all Registered Holsteins<sup>SM</sup>, the transfer of ownership to the buyer will be recorded on the records of Holstein Association USA and a certificate of registration showing that transfer of ownership will be provided to the buyer free of charge. For embryos, the transfer of ownership to the buyer will be recorded on the records of Holstein Association USA free of charge to the buyer.

**RISK:** All animals located at sale site are at the purchaser's risk as soon as struck off, but will be cared for free of charge for a maximum of 24 hours following the end of the sale.

## WARRANTIES:

- 1) Each consignor warrants clear title to the animal or lot, and the right to sell same.
- 2) To the best of the seller's knowledge, each animal is sound and healthy in every respect and embryos have been recovered, processed, frozen, transferred and graded in keeping with IETS recommendations unless otherwise noted in the catalog or announced from the auction stand. Every precaution will be taken to represent the physical condition of each lot exactly as is known. Examination of all purchases should be made immediately after the purchase and before the close of the sale, and if found not to be as represented, complaint must be reported to the sale management before the close of the sale. In the event no complaint is filed, it is understood that the buyer assumes full ownership in the case of animals at sale site together with all risks, after which no representations of the seller can be challenged through the sale management. Heifers that never calved are in no way guaranteed as to the condition of their udders following calving.
- 3) **Breeding Warranty**  
The seller guarantees all animals to be breeders, but not beyond the purchase price, with the following understanding:
  - a. Males - Should any bull after reaching the age of fourteen months fail to prove a breeder after being used for two months on cows or heifers known to be breeders, the matter shall be reported in writing to the seller within three months of the sale date. The report must include the animal's examination record, a written statement of treatment, and a statement of the animals' inability to breed,

by a licensed veterinarian. The seller has the option to refund the purchase price or make other settlement that is satisfactory to the buyer. In either case the rights of ownership of the animal return to the seller. The seller makes no guarantees with respect to the ability to freeze semen.

- b. Females - All females are guaranteed to be breeders with the exception of:
  1. Cows over 7 years of age when sold;
  2. Cows and/or heifers carrying a pregnancy that is the result of an embryo transfer.

Report of a non-breeder must occur in writing within 3 months of the date of sale or before the animal reaches 21 months of age and must be submitted to the seller. The report must include the animal's examination record, a written statement of treatment, and a statement of the animals' inability to breed, by a licensed veterinarian. The seller has the option to refund the purchase price or make other settlement that is satisfactory to the buyer. In either case the rights of ownership of the animal return to the seller.

Females bred when sold and pronounced in calf are presumed to be pregnant but pregnancy is not guaranteed unless so announced. The seller makes no warranty that pregnant cows will deliver calves or that they will carry calves full term.

- c. If, after the sale, embryos or oocytes are recovered from a female or an attempt is made to superovulate her, this negates the breeding warranty unless there is a separate written agreement between buyer and seller.

**SHIPPING:** Assistance will be given in arranging shipping of the animals after the sale. All costs, risks and responsibility will be borne by the purchaser.

**PEDIGREE INFORMATION:** All production, classification, type and production summaries are current. Only information recorded on Holstein Association USA pedigrees is used. Any production or classification records supplied by the seller or consignor will be properly identified as provided by owner. Records in progress are identified as such.

**GENOMIC INFORMATION:** If genomic information on the animal or embryo is available, it must be dated and disclosed at or before the time of sale.

**EMBRYO TRANSFER:** All registered animals that have resulted from embryo transfer are identified with one of the following suffixes in the name: ET, ETS (from split embryo), or ETN (from nuclear transfer). If unregistered, the appropriate technology will be identified. Donor dams are identified.

**HEALTH WARRANTY:** The seller will provide an official health certificate to the buyer for each animal showing the results of all health tests made in preparation for this sale as required by the state where the cattle reside. Other health tests completed for this sale will be disclosed.

**ERRORS:** The material in this catalog has been carefully edited. If any errors or omissions are discovered, they will be announced. Such announcements take precedence over that printed in this catalog.

**ACCIDENT:** The sale management, the consignors, and the owner of the grounds will not be responsible in any case for the condition of the grounds or the behavior of the animals and disclaim any liability in the event of personal accident or property loss.

**LIMITATIONS OF WARRANTIES:** Warranties contained herein, unless terminated earlier, will cease upon the resale of an animal.

**Attention: *View/bid online in Real Time at***  
**[www.cowbuyer.com](http://www.cowbuyer.com)**

# MAKING YOUR MARKETING EASY

## Reasons to Advertise in the *HolsteinWorld Exclusive*

- Advertising Creates Traffic
- Advertising Attracts New Customers
- Advertising Encourages Repeat Business
- Advertising Generates Continuous Business
- Advertising is an Investment in Success
- Advertising keeps you in the Competitive Race
- Advertising keeps you Top-Of-Mind with Breeders
- Advertising gives your Farm a Successful Image
- Advertising Maintains Morale
- Advertising Brings in Big Bucks!

"We recognize that HolsteinWorld Exclusive is THE traditional publication for the breed and that many people look for it to hit their mailbox, particularly in certain parts of the country. Our association with HW to help us market our genetics is a valued relationship and we rely on that circulation to gain visibility. Though digital traffic is high we still aim to reach those who prefer a high quality hard copy in their hands!"

*-Ethan Heinzmann, Golden Oaks Farm*
