# *We would like to welcome you to the Music City Celebration Sale!*

The concept for the sale was born last winter when a group of us took a trip to Nashville. We were impressed with all the things you could do while downtown. You can catch the most exciting new artists on the country music scene, visit museums that give you great history of the music business, eat at amazing restaurants and see hundreds of clubs, honkey-tonks and venues where all kinds of music is born.

Our vision for the sale was to have genetics that could impact the future of your herd, whatever type of cattle you have as a focus. We are simply amazed at how willing breeders have been to consign their best. As you look through these pages you will see genomic animals that are all on the cusp of hitting a home run for their new owner. You will find animals that can fill your show string for next year and you will have opportunity to purchase daughters of the best show cows in North America. Our line-up is nothing short of amazing and we give sincere thanks to the consignors for supporting our vision. Along with this, we wanted to make it a fun destination for people that love our business. We all work very hard to be successful in the cattle business and need time to enjoy friends and colleagues in a fun atmosphere. We think we have created that!

The venue for our event is very exciting as well. When we were in Nashville, we checked out many places but fell in love with AJ's Goodtime Bar right in the heart of Nashville. Alan Jackson, Country Music Hall of Fame member, has invested in a club that has three floors and is newly renovated. They have installed a state of the art sound and visual system and have decorated the place with items from Alan Jackson's life. It is the place he wants to be his legacy in Nashville. We have rented the third floor of their facility for our event. That floor is decorated with focus on Alan's love for boats and water skiing. The bar is the hull of a boat and many of the items in the bar are directly from Alan's boats as well. We would like to thank his manager, Matt Harville who has worked very hard to make a "cow sale" at Alan Jackson's bar come together.

Many of us are staying at the Hyatt Place Downtown and we will plan to have information for everyone at the hotel as you arrive. We do not have many specific events planned out but feel free to check with us prior to your arrival. A few things we are working on to make your trip more enjoyable include, a group option to attend a show at the Ryman Auditorium/Grand Ole Opry on Saturday night. Discounted tickets to the Country Music Hall of Fame that you can tour at your convenience along with a list of singers we would suggest seeing, venues to visit and our favorite places to eat.

## *Our schedule for Monday is as follows:*

- **Breakfast on your own in Nashville (the Hyatt has a phenomenal cooked breakfast as part of your room)**
- **12:30-1:15 Social Hour at AJ's Goodtime Bar, third floor with a cash bar. Hors d'oeuvres and the chance to meet and visit with a few performers from the Nashville scene sponsored by ST Genetics**
- **1:15 Pre Sale Announcements**
- **1:30-3:30 The Music City Celebration Sale**
- **3:30-5:00 Enjoy a couple of our favorite recording artists from Nashville, Tawnya Reynolds, Sarah Montgomery and Don Pedigo who will put on a private show for our group**
- **5:00-Enjoy a fun night of food and music in downtown Nashville with friends**

*We look forward to seeing you in Nashville  
Chris and Jen Hill Tim and Sharyn Abbott*

Term must be a minimum of 60 days to cover any loss resulting from calving.

**This is not a Binder until accepted by Insurance Company Representative**

# Terms and Conditions for the Music City Celebration Sale Nashville, TN December 11, 2017

## **Please review these terms and conditions for all lots selling at the Music City Celebration Sale**

These Terms & Conditions will be used in conjunction with Holstein USA Terms & Conditions for Public Auction.

### BUYERS

#### ***Purchase of Live Animals*** (Lots that do not have a choice to be made)

If you purchase any lot that is a single animal, live on sale day, regardless of her age or location, you are obligated to pay the full purchase price of the animal on sale day. Buyers can protect their investment by purchasing insurance (info in the back of this catalog) at the sale or providing insurance through a company of their choice. If Buyers do not acquire insurance immediately at the time of purchase, Buyer is self-insuring the animal and assumes all risk at that point. It is not the Sellers nor Sale Managers responsibility to insure cattle for the Buyer once the gavel has fallen whether purchased by the Buyer at the sale, through an agent or on the internet.

#### ***Choice of Flush or Choice of Multiple Animals***

35% of the selling price is due on sale day to sale management. The remaining balance is due direct to the seller upon selection of your purchase. Purchase of Choice of flush or choice of multiple animals sold require Buyer to select their purchase by the time the youngest animal in the package reaches 4 months of age. All health testing and insurance details outlined in these terms and conditions shall apply.

Payment for animals sold in absentia is expected in full on sale day. Any animal selling in absentia is guaranteed to be in good health and condition at the time of the sale and will have been inspected by a licensed Veterinarian prior to the sale with the necessary tests guaranteed to be negative (TB BVD-PI and Brucellosis (if age appropriate) along with a shipping fever vaccination). A certificate of veterinary inspection (CVI) will be provided at the sale for health guarantees and insurance purposes. After this certificate is provided, the Seller's only responsibility after the sale is to provide adequate and proper housing and care for the animal until she is picked up by the Buyer or his agent and perform the necessary testing once notified. It is the Buyer's responsibility to provide Seller with information needed for interstate health charts for delivery of the animal and transportation plans and instructions. It is the sole responsibility of the Buyer to arrange for transportation of the purchased animal. We have provided a list of truckers who can assist in transportation in the front of this catalog and we also included phone numbers and emails of all consignors for your convenience. All animals in the sale may be inspected by prospective Buyers or their agents prior to the sale upon request to the seller.

### SELLERS

Any animals sold in absentia under 4 months of age can be housed at the Seller's facility at no extra charge to the Buyer until that animal is 4 months of age, if the buyer so wishes. For an animal sold in Absentia that is over 4 months of age, the Buyer will be responsible for board fees of \$5 per day until the animal leaves the Seller's facility. For this sale the Buyer will have a grace period until 12/31/17 where no board fees will be charged.

Seller guarantees a sound, healthy, animal at the time of the sale and proof of this will be the Certificate of Veterinary Inspection (CVI) which must be provided prior to the sale. Seller will prepare health charts for interstate travel for all animals in the sale immediately upon receiving instructions from the buyer. The only tests that are guaranteed to be provided by the Seller are TB, BVD, Brucellosis and a vaccination for shipping fever.

Seller will work to provide adequate care for the cattle that are sold to a new Buyer and will notify Buyer immediately in the event of illness or sudden death of an animal should occur. Any veterinarian care or autopsies performed will be at the Buyer's Expense.

# HOLSTEIN ASSOCIATION TERMS AND CONDITIONS FOR PUBLIC SALES

EFFECTIVE MARCH 2, 1996 - Amended October 1, 1997, June 28, 2000, June 23, 2002, and March 26, 2010

**TERMS:** The terms of the sale are cash unless arrangements are made prior to the sale or are printed in the sale catalog. Only when the above conditions are met will the buyer be entitled to the warranties listed below. In no case will animals be released unless settlement is made with the clerk of the sale.

**RESPONSIBILITY:** The seller, buyer, and manager of this sale are obligated to comply with the provisions of these terms and conditions.

**EXPORT SALES:** Buyer assumes all responsibility for health tests required by the importing country.

**BIDS:** The highest bidder is the buyer. Bidding parties or their agents are responsible for all bids placed. Every animal or lot presented for bidding is pledged to absolute sale. In case of dispute, the animal or lot will again be put up for advance bids, and if there is no advance bid, the animal or lot will be sold to the person the auctioneer accepted the last bid from. In case two or more claim the bid, the auctioneer will indicate the party whose bid he recognized. Other claimants will be given an opportunity to increase the bid and bidding will be restricted to the two or more claimants.

**BY-BIDDING:** Bidding directly or indirectly by the sole owner of any animal or lot is prohibited unless the intention to bid is disclosed specific to each animal in the catalog and announced when the animal enters the ring. Bidding by any member of a partnership, syndicate, or other entity having an ownership interest in an animal or lot is permitted.

**TRANSFER OF OWNERSHIP:** For all Registered Holsteins<sup>SM</sup>, the transfer of ownership to the buyer will be recorded on the records of Holstein Association USA and a certificate of registration showing that transfer of ownership will be provided to the buyer free of charge. For embryos, the transfer of ownership to the buyer will be recorded on the records of Holstein Association USA free of charge to the buyer.

**RISK:** All animals located at sale site are at the purchaser's risk as soon as struck off, but will be cared for free of charge for a maximum of 24 hours following the end of the sale.

## WARRANTIES:

- 1) Each consignor warrants clear title to the animal or lot, and the right to sell same.
- 2) To the best of the seller's knowledge, each animal is sound and healthy in every respect and embryos have been recovered, processed, frozen, transferred and graded in keeping with IETS recommendations unless otherwise noted in the catalog or announced from the auction stand. Every precaution will be taken to represent the physical condition of each lot exactly as is known. Examination of all purchases should be made immediately after the purchase and before the close of the sale, and if found not to be as represented, complaint must be reported to the sale management before the close of the sale. In the event no complaint is filed, it is understood that the buyer assumes full ownership in the case of animals at sale site together with all risks, after which no representations of the seller can be challenged through the sale management. Heifers that never calved are in no way guaranteed as to the condition of their udders following calving.
- 3) **Breeding Warranty**  
The seller guarantees all animals to be breeders, but not beyond the purchase price, with the following understanding:
  - a. Males - Should any bull after reaching the age of fourteen months fail to prove a breeder after being used for two months on cows or heifers known to be breeders, the matter shall be reported in writing to the seller within three months of the sale date. The report must include the animal's examination record, a written statement of treatment, and a statement of the animals' inability to breed,

by a licensed veterinarian. The seller has the option to refund the purchase price or make other settlement that is satisfactory to the buyer. In either case the rights of ownership of the animal return to the seller. The seller makes no guarantees with respect to the ability to freeze semen.

- b. Females - All females are guaranteed to be breeders with the exception of:
  1. Cows over 7 years of age when sold;
  2. Cows and/or heifers carrying a pregnancy that is the result of an embryo transfer.

Report of a non-breeder must occur in writing within 3 months of the date of sale or before the animal reaches 21 months of age and must be submitted to the seller. The report must include the animal's examination record, a written statement of treatment, and a statement of the animals' inability to breed, by a licensed veterinarian. The seller has the option to refund the purchase price or make other settlement that is satisfactory to the buyer. In either case the rights of ownership of the animal return to the seller.

Females bred when sold and pronounced in calf are presumed to be pregnant but pregnancy is not guaranteed unless so announced. The seller makes no warranty that pregnant cows will deliver calves or that they will carry calves full term.

- c. If, after the sale, embryos or oocytes are recovered from a female or an attempt is made to superovulate her, this negates the breeding warranty unless there is a separate written agreement between buyer and seller.

**SHIPPING:** Assistance will be given in arranging shipping of the animals after the sale. All costs, risks and responsibility will be borne by the purchaser.

**PEDIGREE INFORMATION:** All production, classification, type and production summaries are current. Only information recorded on Holstein Association USA pedigrees is used. Any production or classification records supplied by the seller or consignor will be properly identified as provided by owner. Records in progress are identified as such.

**GENOMIC INFORMATION:** If genomic information on the animal or embryo is available, it must be dated and disclosed at or before the time of sale.

**EMBRYO TRANSFER:** All registered animals that have resulted from embryo transfer are identified with one of the following suffixes in the name: ET, ETS (from split embryo), or ETN (from nuclear transfer). If unregistered, the appropriate technology will be identified. Donor dams are identified.

**HEALTH WARRANTY:** The seller will provide an official health certificate to the buyer for each animal showing the results of all health tests made in preparation for this sale as required by the state where the cattle reside. Other health tests completed for this sale will be disclosed.

**ERRORS:** The material in this catalog has been carefully edited. If any errors or omissions are discovered, they will be announced. Such announcements take precedence over that printed in this catalog.

**ACCIDENT:** The sale management, the consignors, and the owner of the grounds will not be responsible in any case for the condition of the grounds or the behavior of the animals and disclaim any liability in the event of personal accident or property loss.

**LIMITATIONS OF WARRANTIES:** Warranties contained herein, unless terminated earlier, will cease upon the resale of an animal.
