# Welcome to Titledown!

*It is our pleasure to welcome you to the 2019 National Convention Sale. Like any great organization, it takes great teammates to make an event like this happen. We have sent out the best "scouts" from coast to coast to find the best available players in the Holstein breed for you to draft into your herds. As in scouting football players, great Holsteins need tremendous talent but must also have the intangibles; those special qualities that make a 5th round draft choice an All-Pro. We feel all the consignments for your consideration meet all the metrics. Whether you need a number one pick to be the next genomic giant, the next end stall heifer in your show string or even a great young cow to brighten your barn, you will find all of that and more in the pages of this catalog. In the genomic sale, several of these are right at the top of the breed and some of the highest to ever sell at public auction. From a type perspective, several have already won at the highest levels of competition and can do it again for you. We were blessed that our consignors gave us their very best and the kind that hurt to sell. We thank them for letting us add them to the roster. Each consignment has the opportunity to generate a substantial return on investment.*

*Additionally, the other members of this team are experts in each of their respective positions. We have some of the most talented fitters in the business to work with the live consignments, talented equipment managers to decorate the sale area and the ring as well as some of the most talented sale personnel in our industry to assist in selling the sale. We also have great corporate sponsors that helped us create a world class event. Thank you to everyone who helped make gameday a success.*

*But like most great organizations, the secret of success usually starts at the top and the General Managers for this sale have been "Hall of Famers". Rick and Paula Bovre have helped make sure everyone has the resources to get the job done and have worked diligently to make sure no detail no matter how big or small has been planned and executed. They have led the team to victory. We hope you enjoy your time in Wisconsin and encourage you to add something "Legendary" to your herd.*

# Responsibilities of Buyers & Sellers

## THE CATTLE OFFERED IN THE GENOMIC SALE WILL BE SELLING IN ABSENTIA

*Please read the details below for obligations of both Buyers and Sellers.*

### **Buyers Responsibilities**

If your bid results in the purchase of any lot selling in this sale, either at the sale or selling in absentia, you are obligated for full purchase price when the gavel falls! Buyers can protect their investment by procuring insurance offered at the clerk's table. It is not, the Seller's nor the Sale Managers responsibility to insure cattle or guarantee cattle for Buyer once the gavel has fallen. Buyers assume all risk & rewards!

If you acquire an animal selling in absentia, that animal is guaranteed to be in good health and condition at time of pick up from Seller's farm. It is the duty of the Buyer to have the animal inspected and approved prior to loading. We suggest that the Buyer retain a certified Veterinarian to inspect said purchase prior to loading. Once an animal is loaded for transport, all obligations of the Seller will cease. Neither Seller's, nor Sale Managers can be held responsible for cattle that are transported, delivered and deemed unacceptable by Buyer. Any issues should be dealt with prior to loading cattle that have sold in absentia. It is the responsibility of the buyers to obtain insurance after purchase or take the risk of self insuring, not the Sellers or Sale Managers.

### **Sellers Responsibilities**

Any cattle sold in absentia under 4 months of age will be housed at the Seller's facility at no extra charge to buyer until 4 months of age. Seller guarantees a sound, healthy, animal at time of pick up and transport that has been arranged by the Buyer. Sellers will perform necessary tests and a Certificate of Veterinary Inspection (CVI) as required for entry to Buyer's state and for insurance purposes at no extra charge to Buyer. These tests will include TB, Brucellosis, BVD and a Shipping Fever vaccine. Sellers guarantee said animals will pass these tests and these tests only. If a Buyer asks for additional testing the Buyer will be responsible for the extra fees associated with those tests and regardless of the outcome, is obligated to take possession. If an animal is deemed unhealthy at time of pick up by a certified veterinarian, the Seller and Sale Manager will refund 100% of the proceeds paid by said Buyer. If an animal selling in absentia is left at the Sellers farm over 4 months of age, the Buyer will be responsible for board fees of \$6.00 per day until said animal leaves.

*The Terms and Conditions above may not be altered without the written consent of both Buyer and Seller.*

### **Absentee Bidding**

If you are unable to attend the sale, please feel free to contact the sale management or any member of the sales staff. They will be happy to assist and represent you at the sale. The sale staff is available to assist potential buyers unable to attend as well as anyone in attendance. Please feel free to call upon them for advice. Also, the sale will be broadcast live via [www.cowbuyer.com](http://www.cowbuyer.com) with real-time bidding to pre-approved buyers.

### **Terms of Sale**

Payment in full on sale day by cash or good check unless prior written arrangements have been made with the seller and/or sale management. For buyers not in attendance, full payment for purchases is due to the sale manager within 5 business days of the sale. No exceptions. Any special terms MUST have prior approval by seller or sale management. Partners reserve the right to bid on all partnership consignments.

# Welcome to Titledown!

*It is our pleasure to welcome you to the 2019 National Convention Sale. Like any great organization, it takes great teammates to make an event like this happen. We have sent out the best "scouts" from coast to coast to find the best available players in the Holstein breed for you to draft into your herds. As in scouting football players, great Holsteins need tremendous talent but must also have the intangibles; those special qualities that make a 5th round draft choice an All-Pro. We feel all the consignments for your consideration meet all the metrics. Whether you need a number one pick to be the next genomic giant, the next end stall heifer in your show string or even a great young cow to brighten your barn, you will find all of that and more in the pages of this catalog. In the genomic sale, several of these are right at the top of the breed and some of the highest to ever sell at public auction. From a type perspective, several have already won at the highest levels of competition and can do it again for you. We were blessed that our consignors gave us their very best and the kind that hurt to sell. We thank them for letting us add them to the roster. Each consignment has the opportunity to generate a substantial return on investment.*

*Additionally, the other members of this team are experts in each of their respective positions. We have some of the most talented fitters in the business to work with the live consignments, talented equipment managers to decorate the sale area and the ring as well as some of the most talented sale personnel in our industry to assist in selling the sale. We also have great corporate sponsors that helped us create a world class event. Thank you to everyone who helped make gameday a success.*

*But like most great organizations, the secret of success usually starts at the top and the General Managers for this sale have been "Hall of Famers". Rick and Paula Bovre have helped make sure everyone has the resources to get the job done and have worked diligently to make sure no detail no matter how big or small has been planned and executed. They have led the team to victory. We hope you enjoy your time in Wisconsin and encourage you to add something "Legendary" to your herd.*

- Seller is responsible for notifying buyer of birth of calves. Seller is responsible for all registry fees and any other applicable fees to obtain registry certificate. Seller is entitled to \$6.00 per day board after 4 months, based on age of youngest calf born in the group from which the selection is made. If buyer fails to make the selection and take possession within 60 days after the youngest calf is 4 mos. of age and if the seller has notified the buyer by certified mail of the impending default of the sale and after giving the buyer 10 days to respond to this certified letter, the sale will then be termed in default and the buyer will lose all rights as purchaser and will forfeit his down payment.
- Should for any reason a female not result from a respective flush, the following steps will be taken to fulfill the purchase agreement:
  - A) Seller will offer choice of remaining ETs from the respective flush
  - B) Seller will offer choice of another flush already implanted or choice of a future flush, mutually suitable to both buyer and seller. In the case of buyer getting choice of a future flush, no interest will be charged to the buyer, but payment schedules will remain the same.
  - C) If no pregnancies can be made available to the buyer, as in the sale or death of the donor, or the donor's inability to produce embryos; the seller shall provide the buyer a good, healthy, acceptable calf from another cow of equal or greater value as determined by sale management.
  - D) Any disputes regarding choice of flush purchases are strictly between buyer & seller. Sale management is NOT liable to buyer or seller regarding refund of any sale commission. Sale management will negotiate and mediate on behalf of both buyer & seller in any dispute.

## Embryo Packages

Embryos sold on a per embryo basis times the number of embryos offered in the package. Every assistance will be given in helping to arrange delivery, but the final responsibility for shipping arrangements or pickup of the embryos, including all expenses, is that of the buyer. Terms of embryo sales are cash.

## Terms and Conditions of Sale

**TERMS:** The terms are cash or cheque on sale day payable to Great Northern Land & Cattle Co., Inc., in U.S. funds unless other arrangements are made with the consignor and management prior to the sale. All payments must be made to the clerk of the sale and no release of animals will be given until satisfactory settlement has been made. Compliance with the above terms of payment on the part of the buyer will then entitle him to the guarantees offered by the seller and listed below.

**EXPORT SALES:** Arrangements regarding health requirements and health tests for a specific importing country shall be a matter of agreement prior to the sale between seller and potential buyer. Otherwise, the buyer assumes all responsibilities for all health tests. Any agent purchasing for export accounts must identify themselves to the sales management prior to the sale and any special terms with regard to tests or payments must be cleared prior to the sale with management and consignor.

**BIDS:** The highest bidder shall be the buyer. Bidding parties or their agents are responsible for all bids placed. Every animal is pledged to absolute sale. In case of dispute, the animal shall again be put up for advance bids, and if there be no advance bid, the animal shall be sold to the person from whom the auctioneer on the stand accepted the last bid. In case two or more claim the bid, the auctioneer in the box shall indicate the party whose bid he recognized. Other claimants will be given an opportunity to increase the bid and bidding will be restricted to the two or more claimants.

**BY-BIDDING:** Bidding directly or indirectly on an animal in which the bidder or any person for whom the bid is made has an ownership interest is prohibited unless the intention to bid is disclosed specific to each animal in the catalog and announced when the animal enters the ring.

**RISK:** All animals are at the purchaser's risk as soon as struck off, but will be cared for free of charge for 24 hours. Purchasers must make arrangements for the care of their purchases beyond the 24-hour period, unless sold for export in keeping with separate terms. Animals are solely at the consignor's risk prior to selling in the event of fire or other eventuality.

**CERTIFICATES OF REGISTRATION, RECORDING OR IDENTIFICATION:** Will be furnished by the seller showing transfer on the records of the Breed Association to the purchaser and will be provided free of charge within a reasonable period of time.

### **WARRANTIES:**

(1) Owner warrants clear title to the animal, and the right to sell same.

(2) Each animal is sound and healthy in every respect, unless otherwise noted in the catalog or announced from the auction stand. Embryos have been recovered, processed, frozen, transferred and graded in keeping with IETS recommendations unless otherwise noted in the catalog or announced from the auction stand. Every precaution will be taken to represent the physical condition of each animal exactly as it is known. However, all animals are sold with no warranty that they are free of paratuberculosis. Examination of all purchases should be made immediately after the purchase and before the close of the sale, and if found not to be as represented, complaint must be reported to the sale management before the close of the sale. In the event no complaint is filed, it is understood that the buyer assumes full ownership together with all risks, after which no representations of the seller can be challenged through the sale management. Heifers that have never calved are in no way guaranteed as to the condition of their udders following calving. No guarantee is made concerning freedom from hardware unless so announced.

**BREEDING:** The seller has represented the breeding record of females and service age bulls as accurately as possible, but no male or female is guaranteed to be a breeder. No guarantees are made as to the accuracy of any ultrasound pregnancy results listed or announced.

**SHIPPING:** Assistance will be given in shipping the animals after the sale. All costs, risks and responsibility will be borne by the purchaser, with the exception of special terms for export purchases. Transportation charges on all animals subject to adjustment shall be paid by the shipper.

**PEDIGREE INFORMATION:** All production, classification, type and production summaries are current. Only official DHI or DHIR records are used in pedigrees contained herein. All records, except records in progress, are shown on crude protein scale. Any production or classification records followed by a quotation mark (") have been supplied by the seller or consignor. # indicates undesirable recessive carrier; #MF for mulefoot, #PT for pink tooth, \*DP for dumps, \*BL for blads.

**PARTNERSHIPS AND SYNDICATES:** In the case of cattle owned by partnerships and syndicates, any member of these partnerships or syndicates reserves the right to bid in their own behalf. Each member shall be identified.

**EMBRYO TRANSFER:** All registered animals that resulted from embryo transfer are identified with the suffix "ET" in the name. Any unregistered animals that resulted from ET are identified as having resulted from embryo transfer.

**ET CHOICE OF FLUSH TERMS:** 35% down payment at conclusion of sale; 65% due at selection and possession, no interest on unpaid balance. Possession date will be when the youngest calf in the group offered reaches 4 months of age.

**HEALTH WARRANTY:** The results of any future health test is not guaranteed. The seller and sale management hereby notify the buyers that all animals are sold as originating from a maximum risk paratuberculosis herd unless otherwise stated by sale management. The seller and sale management cannot be held liable.

**AGENTS:** Any person(s) acting as agent for the purchase of any consignment shall be held responsible for all of the terms and conditions of the sale including payment for their purchase. Agents are requested to have written authorization for the principals for whom they represent.

**ERRORS:** The material in this catalog has been carefully edited. If any errors or omissions are discovered they will be announced. Such announcement to take precedence over the matter of print in this catalog. Neither the editors of the catalog, the sale management, nor the consignors can assume responsibility for any errors or omissions in the catalog.

**ACCIDENT:** The sale management, the consignors, and the owner of the grounds will not be responsible in any case for the condition of the grounds or the behavior of the animals and disclaim any liability in the event of personal accident or property loss.

**RESPONSIBILITY:** In submitting the entries and in selling the animals listed in this sale, the consignor subscribes to the various sales regulations and warranties as above set forth and assumes full responsibility for his animals. All representations are made by the consignor. In no case, however, will the consignor be responsible for any damages beyond the selling price of the animals. Seller's responsibilities and warranties will cease when animal is resold. Great Northern Land & Cattle Co., Inc., as sale manager, assumes no responsibility, acting only as an agent, but will endeavor to protect the interests of both buyer and seller.

**NOTE:** You are respectfully requested to read the above terms and conditions of this sale, which constitute a legal contract between the Seller and Buyer of each lot, mutually binding in the event of any dispute.
