Member Highlight **Raspberry Futures**

What started with one cow and one family, has now grown to involve multiple families in multiple states, each sharing a passion for developing the Holstein cow. Raspberry Futures began in 2017 and includes the King Family, GDR Holsteins, Yand, Heliker, Johnson, Myers, Esser, and Digiovanni.

In 2017, donor cow, Golden-Rose Raspberry, earned her Excellent score and became the first female to complete 18 consecutive generations of Excellent cows. Raspberry Futures is comprised of her sons and daughters, along with the generations that follow. Donors are housed at several locations around the country, at or near IVF centers.

They have produced several bulls for AI, including two bulls backed by Raspberry, 200H011819 Revere-Red and 94H019324 Radar, and 566H001327 Revelation, an Undenied son who has a tremendous combination of both type and index. They have several sires with Revolution Genetics, a new Crushabull son with Holstein USA on the Holstein Marketplace, and have more recently sold a bull to join the lineup at AI Total & AI Total US.

Member Highlight continued...

The breeders of Raspberry Futures are always trying to look one generation ahead to make cows that have quality production, GTPI scores, and health traits, while excelling in PTA Type. Their current donors include females that can fit well into any program.

Raspberry Futures is currently working with many different donors, each highlighting the goals of their breeding program. A few of the donors highlighted in their program are:

- Terralinda RF Cuddle-ET is an Undenied daughter from the sister to 94H017998 Crush. She has over 35 embryos by 551H003855 Moovin RC and 200H011822 Alleyoop, and scores +3.73PTAT and +0.5DPR. Cuddle is owned with TerraLinda Farms.

- GDR-Kings Franchise Ruby is a VG-2-Year-Old Franchise daughter followed by 19 generations of Excellent cows, including Raspberry. She is owned with and housed at Arizona Dairy and has +2.85UDC and +1.10DPR.

- Roylane-KH Tango Rass EX-92 is a 19th generation Excellent cow and has exported embryos to Germany. She also has a VG-86-2YR AltaMoreno daughter, Sildahl-KH Rise-N-Shine. Both are owned with and housed at Midway Dairy.

To view a list of donors and follow along with their success, visit the Raspberry Futures Breeder Page on our website at HolsteinPlaza.com/Raspberry-Futures-LLC.
